The screenshot shows the LG.com SMB Customer interface. At the top, there is a navigation bar with the LG logo, product categories (TV/Audio/Video, Appliance, Computing, Air Conditioners, Accessories), and a Support link. On the right side of the navigation bar are icons for search, user profile, and shopping cart.

The main content area is divided into two columns. The left column is titled "Sign in to your LG account" with the subtitle "Enjoy exclusive benefits for LG.com SMB Customers". It contains a sign-in form with fields for "Email address" (with a red asterisk) and "Password" (with a red asterisk). The email field has a placeholder "Email account (case sensitive)". The password field has a placeholder "Password (case sensitive)" and an eye icon for toggling visibility. Below the password field is a checkbox for "Remember email" and a link for "Forgot password". A "Sign in" button is located at the bottom of this column.

The right column is titled "Become an LG Small Medium Business Store Member" with the subtitle "Enjoy the exclusive pricing & free Delivery benefits." It features two benefit cards. The first card is "Exclusive Bulk Pricing" with the text "Save more with lower prices and volume discounts" and a percentage-off tag icon. The second card is "Free Shipping" with the text "Enjoy free delivery on every order with no minimum spend." and a truck icon with the word "FREE". A black arrow points from the "Free Shipping" card down to a red "Join us" button. In the bottom right corner, there is a small icon for a privacy policy/terms page.
